

SafetyBeltSafe U.S.A.

CHILD PASSENGER SAFETY CERTIFICATION COURSE

April 4, 5, 6, & 8, 2017 8:00 A.M. to 5:00 P.M

USC Verdugo Hills Hospital
1812 Verdugo Blvd.
Glendale, CA 90208

Successful completion of the four-day class leads to national certification as a Child Passenger Safety Technician for a two-year period. Students must be 18 or older. Students will pass the course if they attend the entire course and earn passing grades for 3 kinds of tests (written quizzes, hands-on skills assessments, and a safety seat checkup event).

Course Agenda

Role of the Child Passenger Safety Technician
Injury Prevention and Crash Dynamics
Seat Belt Systems
Air Bags
Lower Anchors and Tethers for Children
Introduction to Car Seats and Booster Seats
Children in Rear-Facing Car Seats
Children in Forward-Facing Car Seats
Children in Booster Seat and Seat Belts
Child Passenger Safety in Other Vehicles
Installation and Communication
Safety Seat Checkup

TO ENROLL: Visit www.cert.safekids.org to create a user ID and register for the course with Safe Kids Worldwide, the certifying body. Pay the \$85 fee to Safe Kids prior to the first day of class. Go to www.cert.safekids.org for full details.

Sponsors/Major Supporters: California Office of Traffic Safety through the National Highway Traffic Safety Administration, Pomona Police Department, USC Verdugo Hills Hospital.
