

You delivered her safely.

Now help keep her safe.

Did you know...

Motor vehicle crashes are the #1 cause of death and injury of children. More than 90% of children are not correctly buckled up.

Ride Safe from the Start

Subscribe to this new online program for first-time expectant parents. The pilot program showed increase in knowledge and decrease in misuse. Available in English or Spanish. \$50 annual license fee + \$1 per family.
