Instructions to qualify for one CEU toward recertification:

1. Information needed to complete this quiz can be found on the **2017 DVD** available from SafetyBeltSafe U.S.A. (For order information, click the **Back** button or go to **www.carseat.org**.)
2. Read the "User Guide" first. To get the answers, refer to "Contents" and the summary sheets, which have photographs for identification, the first and last date each seat was made, weight limits, and other key information.
3. Save this 2-page quiz on your computer as a Word document. Then fill in the shaded areas above, answer **Yes** or **No** in the shaded boxes below, and resave the file. Make sure to fill in **all 20** shaded boxes. **Note: Please do not print this document and distribute it to other Technicians.**
4. Send an email, with the completed quiz attached, to i0680@hotmail.com. Put **DVD-CEU** in the subject line. In the body of the email, type the date, your name, and your Technician or Instructor ID#.
5. You will receive a response with proof of completion. *You must print that page and keep it in a file until at least three months after your certification renewal date.*
